
Purpose/Background

Rocky View Schools recognizes the value of the use of regular, organized safety patrols in the safe conduct of students on and off of Division property, especially in peak student traffic periods.

Procedures

1. The Principal may organize a school safety patrol program to instruct, direct, and control students in crossing streets at or near the schools, but the members of any such patrol shall have no authority over any persons other than students. A teacher is required to be present when a school runs a safety patrol program.
2. The Principal shall ensure that student members receive adequate instruction in the appropriate duties and procedures.
3. Participation
 - 3.1 Student members shall serve only with the written consent of their parents or guardians.
