## First Ride Program for First Time Riders

The Transportation Department will be hosting a First Ride Program for students who are new to school bus service, or for students who would like to know more about school busing. Participants will have the opportunity to take part in a presentation, ask any questions, and take a short ride on a school bus.

The program will take place in person at the RVS Education Centre located at 2651 Chinook Winds Dr SW, in Airdrie, in August. Once the dates are finalized for this program, we will contact registrants via email with more information.
