### Safe & Danger Zones Around the School Bus

Important things to remember about the safe & danger zone:

- If a student drops something and it goes under the bus, ask for assistance
- Wait in an orderly fashion away from the roadway - out of the danger zone

- Be at the stop 5 minutes before the stop time - running to the bus can be dangerous

## Ride Alongs

---

Rocky View Transportation does not authorize student ride alongs. Students must ride their assigned route(s) and are not permitted to board buses that they are not registered to. This is due to bus capacities, monitoring ridership, and student safety.

If you require to add a secondary stop to your bus service, please complete the 'Secondary Stop Request Form' in your SchoolEngage account. This form can be requested by emailing [transportation@rockyview.ab.ca](mailto:transportation@rockyview.ab.ca).
