## FOR IMMEDIATE RELEASE

April 19, 2024

### RE: RVS observes Earth Day with fourth annual Helping Hands Cleanup

Rocky View Schools' (RVS) fourth annual Helping Hands Cleanup will take place April 22-26 to correspond with Earth Day on April 22. During the cleanup staff and students at many schools across the division will spend time keeping their school grounds beautiful by collecting garbage from their playground areas.

"Since the first Helping Hands Cleanup in 2021, this event has grown into an annual community-builder where classes come together to show school spirit and take pride in their school grounds while observing Earth Day and its message of environmental stewardship," said Superintendent of Schools, Greg Luterbach.

To add fun to the day, members of RVS' Operations team will supply food prizes to the classes that find the most valuable item, the weirdest item, the largest item and show the best school spirit.

A partial list of schools participating in this year's cleanup is provided below. Media interested in covering the Helping Hands Cleanup are invited to contact the schools listed below for more information about their cleanups.
